Docket No. 98N-1265

Food and Drug Administration 7:89:6 '99 APR 19 AIO:09

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Please do not take away the ability
to access natural alternatives to drugs.
Micronized progesterone is not readily available,
+ it is a much better alternative to
birth control pills for women suffering from
female problems. We need these types of
pharmacies to be able to continue to
serve us.
